

ART ROOM newsletter

April

KINDERGARTEN: Recycled Trees- Students are learning about the importance of trees in science. We are creating beautiful tree art using recycled newspaper.

FIRST GRADE: Georgia O'Keeffe Flowers- Students are learning how plants grow in science. We are creating colorful close-up flower paintings in the style of Georgia O'Keeffe.

SECOND GRADE: Andy Warhol Self-Portraits- Students are learning about New York City in social studies. We are creating self-portraits with expression in the style of one of New York City's famous artists Andy Warhol.

THIRD GRADE: Greek Style Mosaics- Students are learning about the continent of Europe. We are creating still lifes in the style of Greek mosaics.

FOURTH GRADE: American Folk Art- Students are learning about American history in social studies. We are creating American Folk Art paintings with personal stories.

FIFTH GRADE: Aztec Masks- Students are learning about the Aztec civilization in social studies. We are creating Aztec style masks using paper tile.
