Math: **Test Prep Review**

Our current unit is Test Prep. Here will focus on:

- Fractions
- Word Problems
- Geometry
- Multiplication
- Division
- Area
- Perimeter

Social Studies:

- Our next third grade unit will take us to Peru! During this unit students will learn about Peru's geography, culture, people and history. The students will receive a few lessons on the background of Peru and come together to help shape our curriculum.

Some things we will discuss are

- Learn how natural products helped to produce important technological developments.
- Investigate the traditional culture of Peru.
- Analyze images to understand the culture, housing, clothing, and food of Peru.
- Gather evidence to form opinions about Peru

Dates to Remember:

4/5/21- PTA General Meeting at 7pm
